Supporting Research
Spreading Hope for Every Fragile X Family

WORLD FRAGILE X DAY
JULY 22, 2026

World Fragile X Day

World Fragile X Day (WFXD) is a global awareness initiative uniting families, researchers, clinicians, and industry to spotlight Fragile X syndrome and the urgent need for effective, disease-targeted treatments.

On **July 22, 2026**, landmarks worldwide will shine teal in solidarity with families living with Fragile X syndrome, the leading inherited cause of intellectual disability and autism. Funds raised directly support FRAXA's research mission, advancing promising programs from early discovery through clinical development.

Past World Fragile X Day Sponsors

Sponsors power World Fragile X Day and strengthen FRAXA's research pipeline, advancing validated targets, translational work, and clinical-stage programs. We invite new sponsors to join this growing group of organizations accelerating progress for families living with Fragile X.

Global Partners - Activating Awareness

Community and organizational partners bring World Fragile X Day to life by lighting landmarks, hosting events, and amplifying awareness locally and globally, in coordination with FRAXA.

Be the Light That Sparks Discovery

Become a World Fragile X Day Sponsor

As a sponsor, you'll:

- Reach millions across 6 continents
- Stand alongside dedicated families, leading researchers, clinicians, and biotech innovators
- Elevate your brand as a champion for awareness, innovation, and community
- Accelerate research that changes lives

Every level of support helps accelerate progress toward a future free of Fragile X.
